description:

Westhaven Bay consists of 2 parts, the apartments of Casa Rita are for the most known as the holiday houses and consist of a total of 17 duplex townhouses with 2 bedrooms and 23 units with 1 bedroom. The newer construction, also known as Casa Nele, has 5 units with 2 bedrooms, a big duplex apartment with 4 bedrooms, one 3 bedroom apartment and 1 unit with 1 bedroom. In Casa Rita you can purchase an apartment to legally rent it out through the exploitator, Casa Nele is offered for residential use only. Westhaven Bay has been since more than 27 years a reference for the Belgian tourism in Tenerife! Recently it was decided to renew this favorite holiday residence with a modern and luxurious image! In the hotel section, all suites will be minimally renovated and offered for sale as legally rentable holiday properties! For example, if you wish you can give your apartment in exploitation to the hotel for the period that you do not use it to get a return on your investment! Of course you can also just book a holiday in the new suites! If you are looking to buy a residential apartment for your own use with frontal sea view then we can offer the Casa Nele apartments
